SPAN 310M, SPAN 310S  ADVANCED SPANISH II

COURSE OBJECTIVES:

The course is designed to increase the expressive and comprehensive capacities of students of Spanish at the advanced level. To this end, students will expand their vocabularies, reinforce grammar already learned, and deepen their knowledge of and competency in Spanish as it is spoken in the Spanish social and cultural context.

Because discussion and exchange form core of the course, participation by all students is required to meet the course objectives.

STRUCTURE:

This course is centered on grammar and its practical application, and on what is learned about Spain, especially Seville.

Classes will be structured as follows:
- **Grammar.** Explanation and practical exercises of key points.
- **Vocabulary.** For better comprehension and use of Spanish.
- **Conversations, discussions and debates** on important current topics.
- **Commentaries** on news articles and their different interpretations and analysis.
- **Oral presentations.**
- **Listening and video.**
- **Group activities.**
- **Reading of texts.**

During the course, students will write three compositions, with the goals of using acquired knowledge and encouraging critical thinking.

The compositions – paragraphs – will be of the form of a Description, a Narration and an Argumentation. They will be corrected in code and returned to the student for correction.

There will also be two quizzes and a final examination.
