

Spanish Studies Abroad Pre-Registration Form-Alicante Integrated Studies

Name: _____ College: _____

Semester and Academic Year Programs

The semester begins with an Intensive Period with students enrolling in a language class and a University Immersion Course. Following the Intensive Period, students continue their semester with a full course schedule, enrolling in an additional two to three courses. After consulting with your advisor, please choose courses according to the following guidelines:

1. The Spanish Studies Abroad prerequisite for the Integrated Studies program is the successful completion of two courses in advanced college Spanish or the equivalent, and a minimum 3.0 in Spanish coursework.
2. Please note that enrollment in the Integrated Studies program also depends upon approval from *Universidad de Alicante*, based upon your performance on the university's Online Placement Exam and classroom performance during the add/drop period.
3. **Students that score less than a B1+ on the on-line placement exam must take a second language course during the Continuation Period.**
4. Students must enroll in a minimum of 12 and a maximum of 18 credits over the Intensive and Continuation Periods.
5. During the Intensive Period, it is mandatory for all students to select one language course and the University Immersion course.
6. During the Continuation Period, all students must select one to three integrated courses at the *Universidad de Alicante*. Students may also select Culture Content courses.
7. Academic Year Students take the University Immersion course in the fall semester only.
8. Advanced students may take additional credits with prior approval from their advisor and the Resident Director. Most integrated courses meet for 45 or 60 hours per semester, and equal 3 to 4 course credits respectively. To choose your integrated courses at UA please visit web.ua.es/es/grados.html. After reviewing the courses available, note the titles and codes of the UA courses in which you would like to enroll and alternates for each of those courses. For the purposes of this preregistration, assume all courses are worth 4 credits.
9. *Universidad de Alicante* reserves the right to cancel courses due to low enrollment.
10. Internships and Living the Culture courses are approved in Alicante. Students may note their interest in these opportunities, but must preregister for a full non-Experiential Learning course load during the Continuation Period.
11. Students in this course of study are enrolled in classes at UA, and finals for fall and spring semesters at the universities follow a different schedule from that of the program. Students are often able to schedule early exams with approval from their professor at the local university, and should plan to coordinate these arrangements at the beginning of the semester.
12. When selecting one or two Language and Culture Courses for the Continuation Period, please elect alternate courses in order of interest.
13. Please note that there are additional fees for LTC courses. Contact Spanish Studies Abroad for details.
