

Spanish Studies Abroad Preregistration Form—Barcelona ICT(STEM) ABROAD Program

Name: _____ College: _____

Semester and Academic Year Programs

After consulting with your advisor, please choose courses according to the following guidelines:

1. The Spanish Studies Abroad prerequisite for this program is 2.7 GPA in overall coursework. Consult the Spanish Studies Abroad website for prerequisites to individual courses.
2. Also, students must be a junior or senior in an undergraduate degree program to participate in the Semester Program at UPF.
3. Students must pre-register for a minimum of 12 and a maximum of 18 credits.
4. Students choose ICT courses from the variety of tracks offered. Students may also combine ICT courses with Experimental Learning and Research opportunities. Courses in the Hispanic European Studies Program (HESP) may also be taken if scheduling permits. Please note that Internships are only available in the third term (April-June).
5. UPF reserves the right to cancel courses due to low enrollment.
6. When reviewing course offerings online, please note that credits follow the ECTS system of credits, which differs from the U.S. credit system. For your reference, 6 ECTS credits are equivalent to 3 US credits.
7. All ICT courses are taught in English at UPF's Polytechnic School. The majority of courses are worth between 2 and 3 US credits.
