**Córdoba Semester Intensive Internship/Service Learning Program**

Name: \_\_\_\_\_ College: \_\_\_\_\_

**Semester Programs**

*After consulting with your advisor, please choose courses following the guidelines below:*

1. Students must take a total of between 14-19 credits per semester during the Intensive and Continuation Periods.
2. All students must select one *Language & Culture* course during the Intensive Period for 5 credits.
3. All students are required to enroll in SPAN 343AN *Cultural Realities of Argentina* (1 credit) during their first semester.
4. Internships for 8 credits require 300 clock hours in the field, as well as additional coursework. You must list your field/business/organization of interest. While Spanish Studies Abroad works to place students according to their goals and interests, we cannot guarantee placement with a precise company or in an exact field.
5. Students may enroll in an additional course during the Continuation Period for 3-5 credits.
6. UNC/PECLA reserves the right to cancel courses due to low enrollment.
7. Because the Córdoba semester program is longer than a regular U.S. semester, there is a high credit maximum. Please be sure you are aware of whether your school has a credit transfer maximum.
