

Spanish Studies Abroad Preregistration Form—Alicante Spanish Studies

Name: _____ College: _____

Semester and Academic Year Programs

The semester begins with a four-week Intensive Period, with students enrolling in a language class. Following the Intensive Period, students continue their semester with a full course schedule, enrolling in an additional two to three courses. After consulting with your advisor, please choose courses according to the following guidelines:

1. The Spanish Studies Abroad prerequisite for this program is the successful completion of two semesters of elementary college Spanish or the equivalent prior to the program. Minimum 3.0 in Spanish coursework. Consult the Spanish Studies Abroad website or Brochure for prerequisites to individual courses.
2. Students must preregister for a minimum of 12 and a maximum of 18 credits over the Intensive and Continuation Periods.
3. Please note that enrollment in individual courses, especially language courses, depends upon your score on UA's Online Placement Exam and classroom performance during the add/drop period.
4. Select one language course during the Intensive Period, according to your language level.
5. Students who preregister for SPAN 203UA during the Intensive Period may only enroll in SPAN 275UA-A as a complementary course and must preregister for SPAN 204UA during the Continuation Period.
6. During the Continuation Period, you are required to elect a second language course.
7. Academic Year students are not required to enroll in a language course during the Continuation period of the spring semester.
8. Experiential Learning opportunities are approved in Alicante. The prerequisite for an internship is one course in advanced college Spanish prior to the start of the program. Students may note their interest in these opportunities, but must preregister for a full course load from non-Experiential Learning courses during the Continuation Period.
9. All courses are offered in both the fall and spring semesters. UA reserves the right to cancel courses due to low enrollment.
10. If enrolling in SPAN 360UA, please select an alternate course in the event that UA has to cancel the course due to low enrollment.
11. When selecting Language and Culture Courses for the Continuation Period, please elect alternate courses in order of interest.
12. Please note that there are additional fees for LTC courses. Contact Spanish Studies Abroad for details
