

Spanish Studies Abroad Pre-Registration Form-Alicante Integrated Studies

Name: _____ College: _____

Semester and Academic Year Programs

1. The Spanish Studies Abroad prerequisite for the Integrated Studies program is the successful completion of two courses in advanced college Spanish or the equivalent, and a minimum 3.0 in Spanish coursework.
2. Please note that enrollment in the Integrated Studies program also depends upon approval from *Universidad de Alicante*, based upon your performance on the university's Online Placement Exam.
3. Students must enroll in a minimum of 12 and a maximum of 18 credits over the Intensive and Continuation Periods.
4. It is mandatory for all students to select one language course.
5. All students must select one to three integrated courses at the *Universidad de Alicante*. Students may also select Culture Content courses.
6. Advanced students may take additional credits with prior approval from their advisor and the Resident Director. Most integrated courses meet for 45 or 60 hours per semester and equal 3 to 4-course credits respectively. To choose your integrated courses at UA please visit web.ua.es/es/grados.html. After reviewing the courses available, note the titles and codes of the UA courses in which you would like to enroll and alternates for each of those courses. For the purposes of this preregistration, assume all courses are worth 4 credits.
7. *Universidad de Alicante* reserves the right to cancel courses due to low enrollment.
8. Internships and Living the Culture courses are approved in Alicante. Students may note their interest in these opportunities but must preregister for a full non-Experiential Learning course load during the Continuation Period.
9. Students in this course of study are enrolled in classes at UA, and finals for fall and spring semesters at the universities follow a different schedule from that of the program. Students are often able to schedule early exams with approval from their professor at the local university and should plan to coordinate these arrangements at the beginning of the semester.
10. When selecting one or two Language and Culture Courses for the Continuation Period, please elect alternate courses in order of interest.
11. Please note that there are additional fees for LTC courses. Contact Spanish Studies Abroad for details.
