

Spanish Studies Abroad Pre-Registration Form-Alicante International Studies Program

Name: _____ College: _____

Semester and Academic Year Programs

The semester begins with a four-week Intensive Period, focused upon language acquisition. Following the Intensive Period, students continue the semester with a full course schedule, enrolling in an additional two to three courses. After consulting with your advisor, please choose courses according to the following guidelines:

1. The Spanish Studies Abroad prerequisite for the International Studies Program is a 3.0 overall GPA.
2. Students must enroll in a minimum of 12 and a maximum of 18 credits over the Intensive and Continuation Periods.
3. During the Intensive Period, it is mandatory for all students to select one language course. Please note that enrollment in individual courses, especially language courses, depends upon your score on UA's Online Placement Exam and classroom performance during the add/drop period.
4. During the Continuation Period, students may select courses from the Culture sections as well as the Integrated Courses in English at *Universidad de Alicante*. Advanced students may take additional credits with prior approval from their advisor and the Resident Director. Most integrated courses meet for 45 or 60 hours per semester, and equal 3 to 4 course credits respectively. To choose your integrated courses in English at UA please visit: <http://web.ua.es/es/vr-ric/cursos-en-ingles.html>
5. After reviewing the courses available, note the titles of the UA courses in which you would like to enroll and alternates for each of those courses. For the purposes of this preregistration, assume all courses are worth 4 credits. Same rule applies when selecting Language and/or Culture Courses for the Continuation Period. Please elect alternate courses in order of interest.
6. *Universidad de Alicante* reserves the right to cancel courses due to low enrollment.
7. Internships and Living the Culture courses are approved in Alicante. Students may note their interest in these opportunities, but must preregister for a full non-Experiential Learning course load during the Continuation Period.
8. Students in this course of study are enrolled in classes at UA, and finals for fall and spring semesters at the universities follow a different schedule from that of the program. Students are often able to schedule early exams with approval from their professor at the local university, and should plan to coordinate these arrangements at the beginning of the semester.
9. Please note that there are additional fees for LTC courses. Contact Spanish Studies Abroad for details.
