

Spanish Studies Abroad Preregistration Form-Córdoba Integrated Studies

Name: _____ College: _____

After consulting with your advisor, please choose courses following the guidelines below:

1. The Spanish Studies Abroad prerequisite for the Córdoba Integrated Studies Program is the successful completion of two courses in advanced college Spanish or the equivalent prior to the program and a minimum 3.0 GPA in Spanish coursework.
2. Students must take a total of between 17-22 credits per semester during the Intensive and Continuation Periods.
3. All students must select one language course during the Intensive Period for 5 credits in the first semester and 3-5 credits in the second semester.
4. All students are required to enroll in SPAN 343AN *Cultural Realities of Argentina* (1 credit) during their first semester.
5. Students must enroll in a total minimum of 11 and a maximum of 16 credits during the Continuation Period:
 - Spanish Studies Abroad works closely with *Programa de Español y Cultura Latinoamericana* (PECLA) at *Universidad Nacional de Córdoba* (UNC). All students must enroll in at least two 300-level Spanish Studies Abroad/PECLA courses for 6-12 credits.
 - **Spanish Studies Abroad students must enroll in a minimum of one and a maximum of two integrated courses at UNC during the Continuation Period. For preregistration purposes, assume all UNC courses carry 6 credits each.**
6. Admission to specific UNC courses will be dependent upon the test score obtained in the CELU (*Certificado Español Lengua y Uso*) exam administered at the end of the Intensive Period in Córdoba. To facilitate the enrollment process once in Argentina, students must have a list of 5-6 UNC courses approved by their academic advisors at their home institution. For recommended UNC courses, [click here](#). After reviewing available courses, list the titles of one or two UNC courses and four alternates that would fit your academic needs.
7. ACYR students that enroll in SPAN 351AN during the first Intensive Period must enroll in 451AN, a customized IRP in language or content, during the second Intensive Period.
8. UNC/PECLA reserves the right to cancel courses due to low enrollment.
9. Experiential Learning opportunities have a prerequisite of one course in advanced college Spanish prior to the program and are approved in Córdoba. On this preregistration form you may indicate that you wish to enroll in an Experiential Learning opportunity, but must select a full course load from non-Experiential Learning courses during the Continuation Period, in the event that your selection is not approved.
10. Because the Córdoba semester program is longer than a regular U.S. semester, there is a high credit maximum. Please be sure you are aware of whether your school has a credit transfer maximum.
